Return Service Requested

As Unitarian Universalists, we affirm and promote these principles in our Fellowship and in our religious education program:

1. The inherent worth and dignity of every person
2. Justice, equity, and compassion in human relationships.
3. Acceptance of one another and encouragement to spiritual growth in our congregations
4. A free and responsible search for truth and meaning.
5. The right of conscience and the use of the democratic process.
6. The goal of world community with peace, liberty, and justice for all.
7. Respect for the interdependent web of all existence of which we are a part.

Heart to Heart Couples Retreat

Friday, April 15 through Sunday, April 17, 2011

Pilgrim Center in Ripon, Wisconsin

Presenters: Beth & Bart De Stasio, Tim Watson & Pete Smaby, Cheri Bricco & Paul Reiser

A couple's enrichment weekend retreat is being offered by the Fellowship. This retreat for couples is patterned on the well-known Marriage Encounter program and, although our presentations come from a Unitarian Universalist perspective, the opportunities extend far beyond any boundaries of faith. Couples have been enriching their partnerships for years based on this model at programs around the country; we are pleased to offer this experience here!

All couples committed to their partners and to their relationships are welcome — same-sex and opposite-sex, married and unmarried. This will be an opportunity to focus on your relationship and to deal with important issues.

The Heart to Heart retreat is designed to enrich the communication and intimacy of your relationships by emphasizing personal reflection and couples dialog. A team of experienced Unitarian Universalist volunteer couples will lead you through a series of presentations. Participants are not asked to share with the group, but rather to spend time reflecting on their feelings and then talking privately with their partner.

Registration deadline is February 1, 2011. For further information please contact the Heart to Heart leaders at h2hvuuf@gmail.com.
